**SECOND FILM:  
'TWILIGHT: NEW  
MOON'**

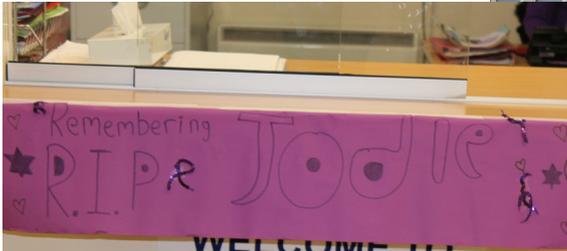

**CERTIFICATE: 12  
SYNOPSIS:**

Bella Swan (Kristen Stewart) finds her loyalties tested as she is drawn into the world of the werewolves, the ancestral enemies of the vampires, through her friendship with Jacob Black (Taylor Lautner).

# #HaveringUnite

Hornchurch High School united with the whole of Havering after the death of Jodie Chesney.

On Friday 8th of March, Hornchurch High School had a purple Friday, where students were encouraged to wear purple in memory of Jodie and as a protest against knife crime

Hornchurch High Student Trae Lewis is raising money for Skin Cancer Research Fund by doing 100 free throws in 40 minutes

Trae Lewis is 13 years old, and last year he tragically lost his dad, Shaun Lewis (Stormin mc) to skin cancer, age 34.

Trae says "My dad fought this awful disease for 2 years and had several operations, he was a true soldier until the end."

"He was a brilliant dad to me and my little brother and was taken away from us way to soon."

This year on the anniversary of his dad's death, Trae will make 100 free throws in 40 minutes in order to raise money to help others going through what his dad went through.

## Maths University Challenge Competition at Redden Court School

Well done to the year 8 students for taking part in the Maths University Challenge at Redden Court School on Wednesday 6th March

We competed against schools in the borough and came joint 2nd.

Well Done!

# GCSE Food and Nutrition practical exam

The year 11 Food and Nutrition cohort this week completed their GCSE practical exam.

They worked really hard and produced some fantastic food.

Michelin starred chefs in the making!

Wednesday 13th Feb saw more success at the Havering Schools Trampolining Competition, this time for the senior teams.

Both the year 11 boys and girls came in second place, only being beaten by a very strong Hall Mead team, with both the year 10 boys and girls achieving third place.

This added to the success of the juniors on Tuesday means a very successful competition all round.

# HOMEWORK CLUB

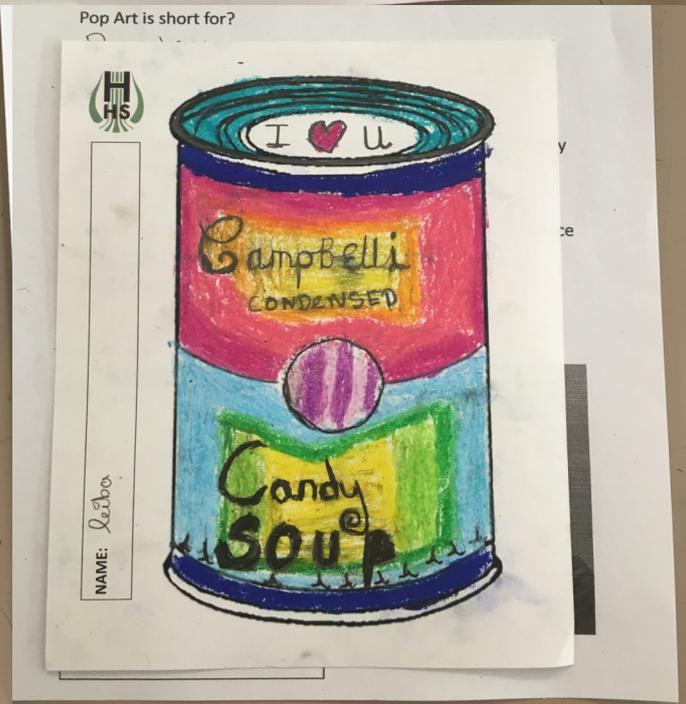

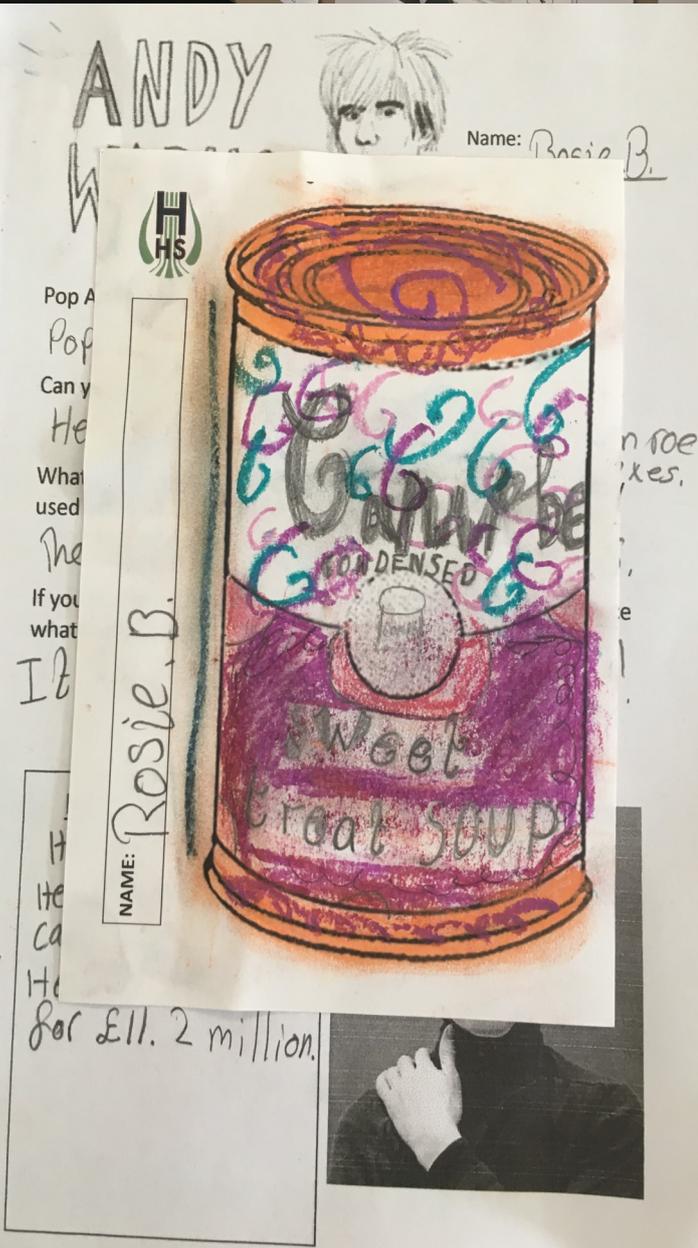

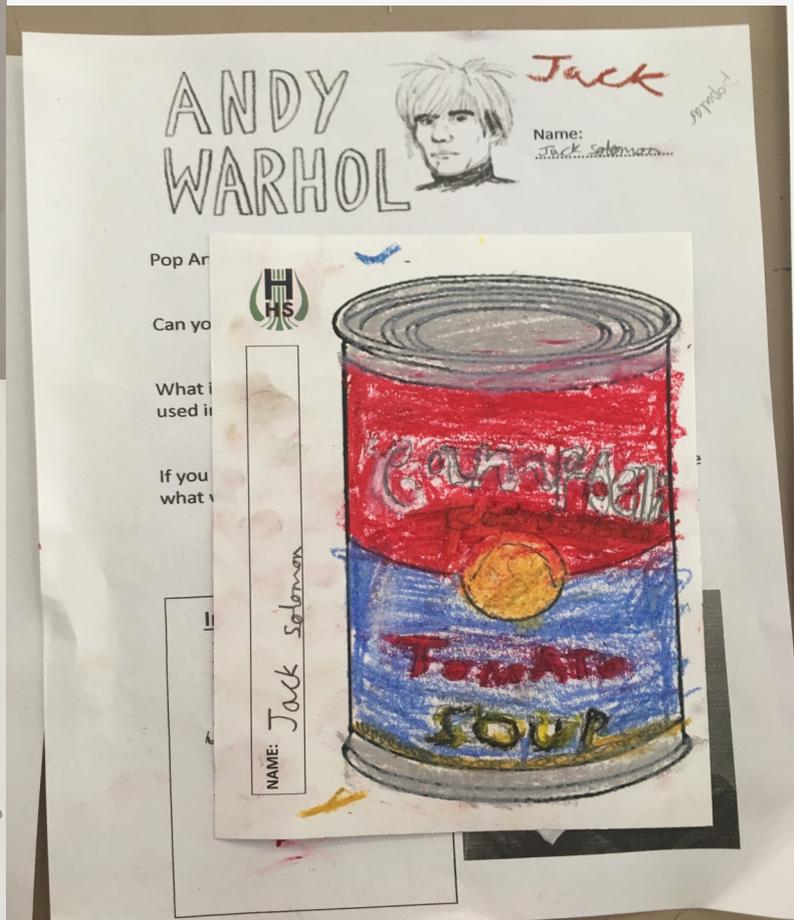

Join us every Monday-Thursday in the R-Zone after school (3:00-4:00pm) for help and support with homework tasks  
All years welcome

# Year 5 Andy Warhol Soup Cans

250 year 5 students from Harrow Lodge, Towers and Crowlands junior schools came to Hornchurch High school to participate in a taster competition day where they worked in teams to make robots, learnt some Chinese, replicated Andy Warhol masterpieces and did a 'whodunit' in History to name a few of the activities. Our students had a great time helping with the day and mentored the younger students on secondary life.

We look forward to seeing you all again soon!

# Mayor praises pupils for cleaning up community

Havering's Mayor praised pupils from Hornchurch High School for their community spirit when they turned into local volunteers for the day recently.

Year 10 students stepped out in the community in what they called a Drop Down Day to litter pick, pack bags at Tesco supermarket, plant bulbs and shrubs and sort and clean items at a charity shop.

Havering Volunteers to help pupils to help them get more involved in their local community to find out

more about their borough and to take pride in their surroundings.

Their efforts were rewarded with a trip to Havering Town Hall where they met the Mayor Councillor Dilip Patel and were presented with certificates to acknowledge their efforts.

Councillor Dilip Patel said:

*"The young people are a real credit to the borough and have learned so much about what a difference it can make to a community when we come together and work with the same purpose."*

Shelley Hart, CEO of Havering Volunteers, added:

*"Young people are often getting bad publicity, blamed for anti-social behaviour and all the knife crime that is happening. These students were a real credit and each and every one of them should feel proud of the achievements they made that day. We are proud to have been part of this "drop down day."*

*"The organisations that the children supported were amazing and felt that the day was really worthwhile."*

She added that one student was particularly upset that after he had picked up litter someone had dropped more.

*"He said he will think twice about any rubbish he has and dispose of it properly from now on," she said.*

# Every School Day Counts

Attend today, achieve for a lifetime!

## Reporting Absences

Any absence from school due to illness, appointments or any other reason **MUST** be reported to the

Attendance Office by 9.00am at the latest

Please either call the Attendance line on:

**01708 691441 x 232** or via **ParentMail App**  
or via email **[jbryan@hornchurchhigh.com](mailto:jbryan@hornchurchhigh.com)**

Absences should always be followed up by written confirmation from the parent/carer. Your co-operation would be greatly appreciated.

There is a clear link between poor attendance at school and lower academic achievement – how can your child learn if they are not here?

Attendance is important because your child will not make progress if they do not attend school. If your child receives an attendance figure of 90% every year of their school life, they would miss over a whole year of their schooling.

**We need your help to raise whole school attendance.**

Any students who arrive late to school or lessons will be issued with a red Late Slip and **MUST** attend a Late Detention for 30 minutes after school on the **SAME** day.

**10 MINUTES LATE EVERY DAY =  
33 MISSED HOURS OF  
SCHOOL**

# Drop Down Day—Trip to the British Museum

On the Easter Drop Down day Ms Corbett and Miss Basten took a group of Year 7 and 8 students to the British Museum.
