A long standing highlight of our calendar has been the Jack Petchey speak out challenge. Students are taught the skills required for public speaking and are then invited to prepare and

deliver a short speech on a subject of their choice. Topics included Mental Illness and beauty, all of our students spoke confidently and passionately about their topic.

These sessions do wonders for our students' self confidence and self esteem, as well as helping them prepare for their English speaking exam and future public speaking.

This year Emmanuel Abass reached the Regional Final for the Speak Out

Challenge. He represented the school after being chosen from 30 other Year 10 students. His speech was entitled 'Fly High!' and the topic was about single parent households.

He did amazingly well, remembered his entire 3 minute speech word for word and delivered it with passion, enthusiasm and bravery.

He did a sterling job and made the school, Mrs Holmes and his mother very proud.

# Every School Day Counts

Attend today, achieve for a lifetime!

## Reporting Absences

Any absence from school due to illness, appointments or any other reason MUST be reported to the

Attendance Office by 9.00am at the latest

Please either call the Attendance line on:

**01708 691441 x 232 or via ParentMail App  
or via email [jbryan@hornchurchhigh.com](mailto:jbryan@hornchurchhigh.com)**

Absences should always be followed up by written confirmation from the parent/carer. Your co-operation would be greatly appreciated.

There is a clear link between poor attendance at school and lower academic achievement – how can your child learn if they are not here?

Attendance is important because your child will not make progress if they do not attend school. If your child receives an attendance figure of 90% every year of their school life, they would miss over a whole year of their schooling.

**We need your help to raise whole school attendance.**

Any students who arrive late to school or lessons will be issued with a red Late Slip and MUST attend a Late Detention for 30 minutes after school on the SAME day.

**10 MINUTES LATE EVERY DAY =  
33 MISSED HOURS OF  
SCHOOL**
