Dear Parents/Carers,

Congratulations, your child has been awarded a place at Hornchurch High School.

We are very excited about our new Year 7 intake and have arranged a number of informative and exciting events to support you and your child through this critical time.

We are very proud of our school and welcome visits from our new parents and students at any time.

Our OFSTED report from 2019 is well worth a read if you would like to see an official report on our school. A full copy of our report can be found at:

Some of the highlights from the report are:

- Teachers provide all students, including the More Able with opportunities to progress well in their subjects.
- Staff know students well.
- Teachers have high expectations regarding students' readiness to learn. This has resulted in almost all students having positive attitudes to learning.
- The school is a calm, orderly and purposeful learning environment.
- Teaching and learning are good; in some areas outstanding.
- Students are treated as individuals and are well prepared for the next stage of their education.
- The carefully designed curriculum supports students' Social, Moral, Spiritual and Cultural studies.
- All staff share the belief that 'students come first'.
- Students take pride in their learning.
- The school is a friendly, inclusive community.
- Students are encouraged to be active members of the school community and encouraged to take on leadership roles.
- Students are polite and courteous to one another and to adults.
- Students behave well, they socialise sensibly in mixed groups.
- Students' behaviour and conduct in lessons and around the school is good.
