18. Glossary	. 13

Dear parents and carers,

The aim of this information report is to explain how we implement our SEND policy. In other words, we want to show you how special educational needs support works in our school.

If you want to know more about our arrangements for SEND, read our SEND policy.

You can find it on our website: https://www.hornchurchhighschool.com/home/information/policies/

Note: If there are any terms we've used in this information report that you're unsure of, you can look them up in the Glossary at the end of the report.

I. What types of SEN does the school provide for?

Our school provides for pupils with the following needs:

AREA OF NEED	CONDITION
Communication and interaction	Autism spectrum disorder (ASD)
Communication and meer action	Speech and language difficulties
Cognition and learning	Specific learning difficulties, including dyslexia, dyspraxia, dyscalculia
	Moderate learning difficulties
Social, emotional and mental health	Attention deficit hyperactivity disorder (ADHD)
	Attention deficit disorder (ADD)
	Hearing impairments
Sensory and/or physical	Visual impairment
	Physical impairment

2. Which staff will support my child, and what training have they had?

SENDCo

Our SENDCo at Hornchurch High is Kaye Huggins.

Kaye is a qualified teacher of geography. She is currently completing her NPQ for SENDCOs.

Kaye has involvement with Challenge Partners as a SEND Review participant.

Deputy SENDCo

Natalie Fallows

Natalie is a qualified history teacher and is currently completing her NPQ for SENDCos.

Subject teachers

All of our teachers receive in-house SEND training, and are supported by the SENDCOs to meet the needs of pupils who have SEND.

Teaching assistants (TAs)

We have a team of 6 TAs, including I Lead TA who are trained to deliver SEND provision.

All of our teaching assistants who are trained to deliver interventions such as:

Project X, Power of Two, Talkabout, Nine Steps to Handwriting, Toe by Toe and ELSA

External agencies and experts

Sometimes we need extra help to offer our pupils the support they need. Whenever necessary we will work with external support services to meet the needs of our pupils with SEND and to support their families. These include:

Speech and language therapists

Educational psychologists

Occupational therapists

GPs or paediatricians

School nurses

Child and adolescent mental health services (CAMHS)

Education welfare officers

Social services and other local authority (LA)-provided support services

Voluntary sector organisations

3. What should I do if I think my child has SEN?

Tell us about your concerns

We will invite you to a meeting to discuss them

We will decide whether your child needs SEND support

If you think your child might have SEND, the first person you should tell is your child's head of year.

You can do this by leaving a brief message on the portal on the school website. They will pass the message on to our SEND Team, who will be in touch to discuss your concerns.

We will meet with you to discuss your concerns and try to get a better understanding of what your child's strengths and difficulties are.

Together we will decide what outcomes to seek for your child and agree on next steps.

We will make a note of what's been discussed and add this to your child's record.

If we decide that your child needs SEND support, we will notify you and your child will be added to the school's SEND register.

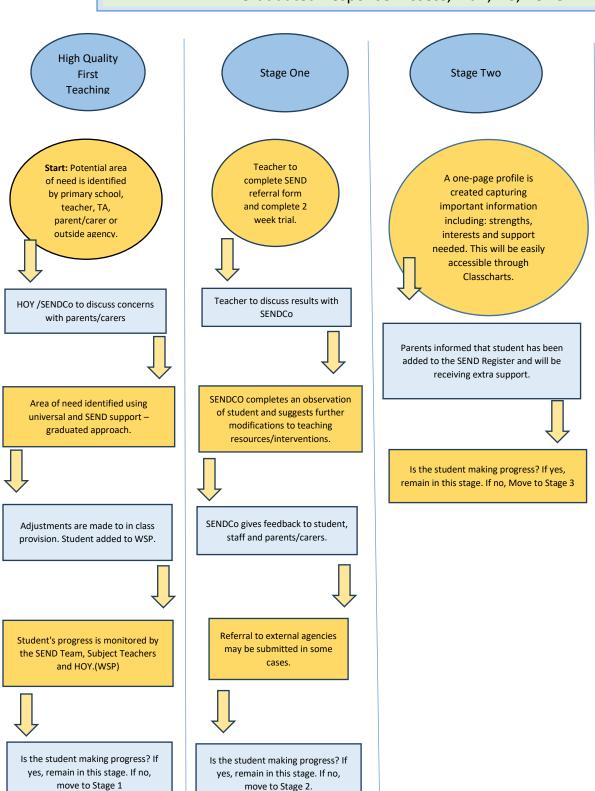

4. How will the school know if my child needs SEN support?

All our class teachers are aware of SEND and are on the lookout for any pupils who aren't making the expected level of progress in their schoolwork or socially.

If the teacher notices that a pupil is falling behind, they try to find out if the pupil has any gaps in their learning. If they can find a gap, they will give the pupil extra tuition to try to fill it. Pupils who don't have SEND usually make progress quickly once the gap in their learning has been filled.

If the pupil is still struggling to make the expected progress, the teacher will the begin the school SEND referral process.

Hornchurch High SEND IDENTIFICATION AND PROVISION PATHWAY Graduated Response: Assess, Plan, Do, Review

Stage Three

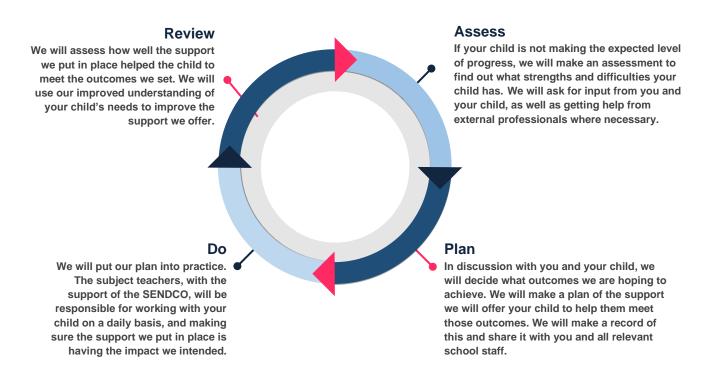

When a student with SEND, who requires even greater, then an application to assess for an EHCP will be submitted. There is no guarantee it will be granted. Parents are involved in the application process.

If an EHCP is granted, the SENDCo will hold annual reviews to monitor and request any changes or updates.

5. How will the school measure my child's progress?

We will follow the 'graduated approach' to meeting your child's SEND needs.

The graduated approach is a 4-part cycle of assess, plan, do, review.

As a part of the planning stage of the graduated approach, we will set outcomes that we want to see your child achieve.

Whenever we run an intervention with your child, we will assess them before the intervention begins. This is known as a 'baseline assessment'. We do this so we can see how much impact the intervention has on your child's progress.

We will track your child's progress towards the outcomes we set over time and improve our offer as we learn what your child responds to best.

This process will be continual. If the review shows a pupil has made progress, they may no longer need the additional provision made through SEND support. For others, the cycle will continue and the school's targets, strategies and provisions will be revisited and refined.

6. How will I be involved in decisions made about my child's education?

We will provide termly reports on your child's progress. Your child's SENDCo will meet you at 3 points across the school year to:

Set clear outcomes for your child's progress

Review progress towards those outcomes

Discuss the support we will put in place to help your child make that progress

Identify what we will do, what we will ask you to do, and what we will ask your child to do

We know that you're the expert when it comes to your child's needs and aspirations. So we want to make sure you have a full understanding of how we're trying to meet your child's needs, so that you can provide insight into what you think would work best for your child.

We also want to hear from you as much as possible so that we can build a better picture of how the SEND support we are providing is impacting your child outside of school.

If your child's needs or aspirations change at any time, please let us know right away so we can keep our provision as relevant as possible.

After any discussion we will make a record of any outcomes, actions and support that have been agreed. This record will be shared with all relevant staff, and you will be given a copy.

If you have concerns that arise between these meetings, please contact your child's head of year through the portal on the school website.

7. How will my child be involved in decisions made about their education?

The level of involvement will depend on your child's age and level of competence. We recognise that no 2 children are the same, so we will decide on a case-by-case basis, with your input.

We may seek your child's views by asking them to:

Attend meetings to discuss their progress and outcomes

Prepare a presentation, written statement, video, drawing, etc.

Discuss their views with a member of staff who can act as a representative during the meeting

Complete a survey

8. How will the school adapt its teaching for my child?

Your child's teachers are responsible and accountable for the progress and development of all the pupils in their class.

High-quality teaching is our first step in responding to your child's needs. We will make sure that your child has access to a broad and balanced curriculum in every year they are at our school.

We will adapt how we teach to suit the way the pupil works best. There is no 'I size fits all' approach to adapting the curriculum, we work on a case-by case basis to make sure the adaptations we make are meaningful to your child.

These adaptations include:

- Scaffolding our curriculum to make sure all pupils are able to access it,
- Adapting our teaching, for example, giving longer processing times, pre-teaching of key vocabulary, reading instructions aloud, etc.

- Adapting our resources and staffing
- Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, etc.
- Teaching assistants will support pupils within their subjects, promoting resilience and independence as well as giving academic support.

AREA OF NEED	CONDITION	HOW WE SUPPORT THESE PUPILS
Communication and interaction	Autism spectrum disorder (ASD)	Visual timetables
		Social stories
	Speech and language difficulties	Speech and language therapy
Cognition and learning	Specific learning difficulties, including dyslexia, dyspraxia and dyscalculia	Writing slope
		Coloured overlays
		Graphic organisers
		Boxed information
Social, emotional and mental health	ADHD, ADD	Check lists
		Now and Next boards
		Choice boards
		Standing desks
		Brain breaks
	Adverse childhood experiences and/or mental health issues	Nurture groups
		Mentoring
		Counselling
		Mental Health First Aid
Sensory and/or physical	Hearing impairment	Advice taken from Hearing Impairment Advisory Teacher
	Visual impairment	Advice taken from Joseph Clarke Visual Impairment Centre
	Multi-sensory impairment	Ear defenders
		Low level lighting
		Silent transition between lessons
		Early lunch pass

Physical impairment	Adjustable desks
	Standing Frames
	Walking Frames
	Disabled toilets
	EVAC chairs
	Accessible mini-bus
	Accessible lift
	Adapted equipment

These interventions are part of our contribution to Havering's local offer.

9. How will the school evaluate whether the support in place is helping my child?

We will evaluate the effectiveness of provision for your child by:

Reviewing their progress towards their goals each term

Reviewing the impact of interventions after 6 weeks and again at 12 weeks.

Using pupil questionnaires

Monitoring by the SEND Team

Using provision maps to measure progress

Holding an annual review (if they have an education, health and care (EHC) plan)

10. How will the school resources be secured for my child?

It may be that your child's needs mean we need to secure:

- Extra equipment or facilities
- More teaching assistant hours
- Further training for our staff
- External specialist expertise

If that's the case, we will consult with external agencies to get recommendations on what will best help your child access their learning.

The school will cover up to £6,000 of any necessary costs. If funding is needed beyond this, we will seek it from our local authority.

II. How will the school make sure my child is included in activities alongside pupils who don't have SEND?

All of our extra-curricular activities and school visits are available to all our pupils, including our before and after-school clubs.

All pupils are encouraged to go on our school trips, including our residential trips for the Duke of Edinburgh Award Scheme, Skiing, Football trips abroad etc.

All pupils are encouraged to take part in sports day/school plays/special workshops/work experience etc.

No pupil is ever excluded from taking part in these activities because of their SEN or disability and we will make whatever reasonable adjustments are needed to make sure they can be included.

12. How does the school support pupils with disabilities?

Information can be found in the Accessibility Plan on the school website.

13. How will the school support my child's mental health, and emotional and social development?

We provide support for pupils to progress in their emotional and social development in the following ways:

Pupils with SEND are encouraged to be part of the school council

Pupils with SEND are also encouraged to be Form Ambassadors to promote teamwork/building friendships

We provide extra pastoral support for listening to the views of pupils with SEND by running drop in sessions with mentors, SENDCos and our school counsellor

We run a nurture club for pupils who need extra support with social or emotional development

We have a 'zero tolerance' approach to bullying.

14. What support will be available for my child as they transition between classes or settings, or in preparing for adulthood?

Between schools

When your child is moving on from our school, we will ask you and your child what information you want us to share with the new setting.

Between Phases

The SENDCO of the primary school meets with our SENDCO to discuss the needs of the incoming pupils near the end of the summer term.

We arrange meetings with the parents/carers of incoming pupils to discuss how we can best welcome their child into our community.

We hold additional transition days for SEND pupils.

Moving to adulthood

We provide all our pupils with appropriate advice on paths into work or further education.

We work with the pupil to help them achieve their ambitions, which can include goals in higher education, employment, independent living and participation in society.

15. What support is in place for looked-after and previously looked-after children with SEND?

Our dedicated teacher for looked after and previously looked after children is Jas Padda.

Jas will work with the SEND Team, to make sure that all teachers understand how a looked-after or previously looked-after pupil's circumstances and their SEND might interact, and what the implications are for teaching and learning.

Children who are looked-after or previously looked-after will be supported much in the same way as any other child who has SEND. However, looked-after pupils will also have a personal education plan (PEP). We

will make sure that the PEP and any SEND support plans or EHC plans are consistent and complement one another.

I6. What should I do if I have a complaint about my child's SEN support?

Complaints about SEND provision in our school should be made to the SENDCo in the first instance. They will then be referred to the school's complaints policy.

If you are not satisfied with the school's response, you can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the <u>SEND</u> Code of Practice.

If you feel that our school has discriminated against your child because of their SEND, you have the right to make a discrimination claim to the first-tier SEND tribunal. To find out how to make such a claim, you should visit: https://www.gov.uk/complain-about-school/disability-discrimination

You can make a claim about alleged discrimination regarding:

Admission

Exclusion

Provision of education and associated services

Making reasonable adjustments, including the provision of auxiliary aids and services

Before going to a SEND tribunal, you can go through processes called disagreement resolution or mediation, where you try to resolve your disagreement before it reaches the tribunal.

Details can be found on the Havering website.

17. What support is available for me and my family?

If you have questions about SEND, or are struggling to cope, please get in touch to let us know. We want to support you, your child and your family.

To see what support is available to you locally, have a look at the LBBD local offer. LBBD publishes information about the local offer on their website:

 $\underline{https://familyserviceshub.havering.gov.uk/kb5/havering/directory/local offer.page?local offerchannel=0}$

18. Glossary

Access arrangements - special arrangements to allow pupils with SEN to access assessments or exams

Annual review – an annual meeting to review the provision in a pupil's EHC plan

Area of need – the 4 areas of need describe different types of needs a pupil with SEN can have. The 4 areas are communication and interaction; cognition and learning; physical and/or sensory; and social, emotional and mental health needs

CAMHS – child and adolescent mental health services

Adaptive teaching - When teachers adapt how they teach in response to a pupil's needs

EHC needs assessment — the needs assessment is the first step on the way to securing an EHC plan. The local authority will do an assessment to decide whether a child needs an EHC plan

EHC plan – an education, health and care (EHC) plan is a legally-binding document that sets out a child's needs and the provision that will be put in place to meet their needs

First-tier tribunal / SEND tribunal — a court where you can appeal against the local authority's decisions about EHC needs assessments or plans and against discrimination by a school or local authority due to SEN

Graduated approach — an approach to providing SEN support in which the school provides support in successive cycles of assessing the pupil's needs, planning the provision, implementing the plan, and reviewing the impact of the action on the pupil

Intervention — a short-term, targeted approach to teaching a pupil with a specific outcome in mind

Local offer — information provided by the local authority that explains what services and support are on offer for pupils with SEN in the local area

Outcome – target for improvement for pupils with SEN. These targets don't necessarily have to be related to academic attainment

Reasonable adjustments — changes that the school must make to remove or reduce any disadvantages caused by a child's disability

SENDCO – the special educational needs co-ordinator

SEN – special educational needs

SEND – special educational needs and disabilities

SEND Code of Practice – the statutory guidance that schools must follow to support children with SEND

SEND information report — a report that schools must publish on their website, that explains how the school supports pupils with SEN

SEN support – special educational provision that meets the needs of pupils with SEN

Transition – when a pupil moves between years, phases, schools or institutions or life stages
